

Dear Families,

You are wonderfully made. There is no one like you, and you were put together with care and intention. What else is there to do but sing about His goodness and praise Him?

In this series, Wonderfully Made, we'll explore what it means that God crafted us and cares for us. He is our Shepherd who provides for our needs and gives love so amazing that it goes on forever!

Check out these words of praise from the psalmist, David:

*You created the deepest parts of my being. You put me together inside my mother's body. How you made me is amazing and wonderful. I praise you for that. What you have done is wonderful. I know that very well.* Psalm 139:13–14 (NIRV)

Take a moment to reflect on what He has done and is doing. Where do you need His love and care? How is He providing it for your family right now?

As you go through the Wonderfully Made series, know that He is there. He cares for you, His dear children, with an everlasting love that runs deeper than you can think or imagine.
