

Dear Families,

Welcome to the Problems and Promises series! God did amazing things for His people when He rescued them from Egypt and led them to their very own home—Canaan!

The early days in Israel's new land were shaped by memorable events—spies escaping through a window, a miraculous river crossing, and the tumbling of walls without Israel laying a hand upon a single brick. Yet, God didn't stop there. He continued with more miracles including the sun standing still and giving signs to a young warrior in order for His people to have victory.

Read the following words from our upcoming Word of Wonder:

He will keep his covenant forever. He will keep his promise for all time to come. —1 Chronicles 16:15 (NIRV)

As you go through this series, know that this God of promises is ready to help us and lead us. He hears us and gives us courage when we're afraid. We can trust that He is who He says and that He will do what He says—always.

See you Sunday,
