

Dear Families,

Each one of us decides to do things according to our own plans at one time or another. We forget God's plans and the many ways He has cared for us and rescued us.

But God will never forget us. He is faithful, kind, merciful, and full of compassion for His people.

In the next few weeks, we'll explore times God's people forgot about His ways and chose to do things their own way. They needed to stop and think again. But they often let their wrong choices lead the way.

There are consequences for sin and disobedience. But God's love and desire for us to worship Him only outweigh our selfish desires. He will always draw us back to Himself and His good plans. He will help us make better choices for the future. He will keep His promises of protection and care.

*Even if we are not faithful, he remains faithful. He must be true to himself.* —2 Timothy 2:13 (NirV)

As we go through the Think Again series, know that God will never give up on you. He is ready to help you, rescue you, care for you, and lead you. Because of all these things, God is worthy of worship. How can you worship Him for His faithfulness and willingness to keep showing up when we've walked away in both our thoughts and actions?
