

# Summer Internships

---

**The Charter Oak Church Summer Internship Program** is an awesome opportunity for those enrolled in higher education to experience hands-on training in a fun, fast-paced and God-honoring church leadership environment. The program is designed for young adults who have a heart to serve the local church and are at least one year out of high school. The purpose is to equip students to excel in their skills, knowledge, and passion in making disciples within the local church.

This year's program begins in late May and runs through early August. This paid internship will consist of 80 percent focused-project work and 20 percent leadership development. Interns will work 20 hours per week for 10 weeks with one week of vacation permitted.
