

# AFTERWORDS

THE STORY CONTINUES

APRIL 13

## GRATITUDE + CHALLENGE

- Where have you seen God at work this past week?
- Where have you struggled that we can be praying for you?

## READ THE TEXT

- Acts 17 & Acts 18
  - Read each section
  - Retell each section in your own words
  - Using a map at the back of your Bible or Google to get an idea of the distance Paul, Silas and Timothy are traveling in these two chapters.

## REFLECT

- Talk through the seven points from the sermon:
  - Disciples need to be able to reason from the Bible.
  - The message of Jesus always turns someone's world upside down.
  - Always test what you're taught.
  - You can't control people's response to the Gospel.
  - We all need to be encouraged.
  - We need to lovingly correct one another.
  - God doesn't draw out a roadmap for our lives.

## APPLICATION

- How do you walk in the freedom you have in Jesus in a way that honors and glorifies God?
- Who are you inviting to join you for worship on Easter morning?
