

AFTERWORDS

THE BOOK OF DANIEL

APRIL 27

GRATITUDE + CHALLENGE

- Where have you seen God at work this past week?
- Where have you struggled that we can be praying for you?

READ THE TEXT

- Daniel 2
 - Read text in more than one version
 - Tell the story in your own words

REFLECT

- How often do you remember your dreams? Do you have any reoccurring dreams? Dreams that have disturbed or frightened you?
- Why do you think that most Christians either choose assimilation or separation when it comes to living in today's culture?
- What's the implication of the third option that Daniel chose for living in a culture radically different than the kingdom of God?

APPLICATION

- What does it mean for you to live with a strong conviction that "there is a God in heaven..." in whatever situation you find yourself in?
- One of the marks of Daniel's life was his prayer life. What does your prayer life need to look like in order to reflect your relationship with God?
